is greatly appreciated A: `$("#cat_id").change(function()  
 { var cat_id = $("#cat_id").val();  
 $("#topic_id").val(cat_id); });` So you want to buy some expensive apparel? You should be able to buy it with as much ease as if you were ordering a bestselling book on Amazon, right? The basic premise is that traditional corporate divisions— such as finance and legal, whose remit it is to deal with the relevant facts of a transaction, and not merely the business aspects— can be vastly less effective than those for performance which help a business to understand its outcomes and to concentrate its power into “the right” hands. For example, if your business is a sports team, you’ll want to have someone on hand who can help you understand what enables the team to perform well, or to fail to, and then put into place the specific steps that will keep you from running into the kinds of problems that have ended the careers of even the very best teams. So, for example, you need to understand what the most important drivers of your
