Emergency crews were called to the Calgary Police Service station at 8th Avenue and 5th Street S.W. around 12:30 p.m. for a report of a collision involving an automobile and a pedestrian. Police said the pedestrian, a 39-year-old man, was seen lying behind the wheel of the auto but it was not immediately clear if he was the driver. The Calgary Fire Department confirmed one fatality and two occupants of the auto were transported to hospital for treatment. There was no information on the other occupants of the auto. Police closed 5th Street S.W. to pedestrian traffic from 8th Avenue to 9th Avenue.

Witnesses told reporters the auto was going at high speed when it hit the pedestrian. "I saw an accident and everything was just like in slow motion," said eyewitness Beena Biswas. "There was blood and it was just a terrible thing to witness." Witness, Steven McKnight, said he saw the pedestrian running around the back of a truck. "He came running out onto the road. It wasn't in time, the next second he (the pedestrian) was just taken out by a car. It was d0c515b9f4
