It is one of the great tools of PC optimization, as well as Wise Care 365 Pro Crack .OVER THE past three years Gordon Brown has surprised the world more than once. The first time was in 1997, when he won an election on a wildly popular “Cool Britannia” ticket. The second came last year, when he came back from an unexpected defeat, with plans to rescue the economy, and the third came in his speech on April 19th, in which he laid out his “enduring mission”. But even for a politician with a track record of speaking his mind and surprising everyone, none of these have been quite as surprising d0c515b9f4

Q: Why is my image not displaying but the code does work? I am trying to display an image with a background, but the image does not display and I can't see what's wrong with the html or css. Here is the HTML: Here is the CSS: `#header { width: 100%; height: 70px; position: fixed; top: 0px; left: 0px; z-index: 100; background: url(../img/header_bg.png); }` I don't see where the problem is. What could I be missing? A: You can also use: `#header {`

---

background-image:url('../img/header\_bg.png');}  
or: #header { background:  
url('../img/header\_bg.png');} I prefer using  
background shorthand. #header {  
background:url('../img/header\_bg.png');} Here is a  
live demo: IN A CULTURAL REVOLUTION, A  
BUSINESS REVOLUTION AND A POLITICAL  
REVOLUTION IN CHINA, WHO IS WINNING?  
Stephen McDonnell | 10 February 2017 Despite its  
huge size and wealth China is a relative blank  
slate in which few people have a global  
perspective. Over
