The All-New Empire of Tarnished Shore - Let the Legend Begin The Land of Elden was once ruled by a great empire. However, its people lived in growing disorder and sought to revolutionize the world with steampunk inventions. It was in this age of rebellion that the leader of the Conglomerate Federation of Bougainville—a mysterious martial artist—arose and created the Empire of Tarnished Shore. Enter Prince Sho, a descendant of the imperial family, whose goal it is to prevent the spread of chaos throughout the world. An Empire ruled by sword and steel, thriving with unknown power. A Warrior's World—Bold Exploration, Challenging Battles, and Deep Dungeon Designs—An Empire is Born.

A Legend is Born - A True Story Born in Fantasy Descendants of the Imperial Family, the leader of the Empire, and the people of the Land of Elden met numerous hardships after the empire collapsed. They peacefully united under the rule of the descendant of the great Emperor, and established a new empire with the technologies forged during the revolution. However, these descendants' bond and will are eroded by the continuous increase in conflicts, and the descendants grow apart. Meanwhile, the great wealth of the land has grown, and a wealthy class is formed. Amid this conflict, a mysterious being—the creator of the dragon nation formed by the collective will of the empire—arises in the Land of the Children. An Empire Lost, a Legend Rises, and a Myth is Born.

A Myth Reborn - A True Story Born in Fantasy In the Land of the Children, Prince Sho and his companions struggle to bring peace to the Land of Elden.
